It is, It's not. Hell no, No way.

It's nonsense

Well ok, that's alright.

You are crazy.

Yeah, whatever

Ok then / But Listen

I don't give a fuck about.

Just listen what you said.

Yo, you can argue about that, but

That's not what it is.

You know what I'm saying.

That's what I'm saying.

Yeah well, we are not talking about.. we are talking about.

You are fucked.

I would take a bullet for you!

I'm going to make an attempt.

what do you make of it?

how would you go about it?

Do you feel good about that answer?

Does that clear things up enough?

How does that tie back to what we had before?

How do you do that exactly?

I'm not too sure what's going on.

Describing:

-----  
Both theoretical reasoning and empirical evidence support the conclusion that part of getting to a better future comes down to explaining more effectively the problems of the present.

Let me guess: you were potty trained at gunpoint and still piss sitting down on orders from mommy dearest. Your innie peanut dick remains flaccid unless you gaze adoringly at a photo of your lord and savior Trumputo-Pumpkin's tits. Your IQ starts with a decimal point and you have yet to grow your opposable thumbs. Wow I'm impressed.

First of all, if don't get your childish breath out of my oxygen zone, I will sue you and your mom. And who is on a bus, who is in a car with freedom and money, and the ability to kick your ass.

I am beyond irritated. I am not an xbox, not a play station, cards against humanity. I am a person with feelings, you don't just say hi, and three mother fucking days later, you don't exist, A figment of my imagination. You're a damn ghost. If you lose feelings don't drag that shit on, end it! I send hi, you don't respond makes me a damn clown! So the moral of the fricking story, if you don't want it, don't waste my time. Period.

Everyone knows the wall is extremely long, but to see it for yourself, stretching into the distance as far as you can see, disappearing into the horizon in these insane mountains, with this view is just spectacular, definitely a bucket list.

Cultural difference is not an excuse for misbehaving or being inflexible.

She had no time to mourn her loss. While, at times, Barbara's adrenaline flowed with the challenges ahead, she was also panicked in her private life.

Women deeply want a man who is competent and powerful. I don't mean power that they can exert tyrannical control over others / arbitrarily exercise power on

others, that's corruption. power is competence. Why in the world you wouldn't want a competent partner?

Our intuition can sometimes leads us astray.

It's really hard to get good people, You've got to roll the red carpet out and go after people and kind of poach them and make them offers they can't refuse.

Why don't people understand that I'll do it and get it done as long as you don't tell me to do it and get it done.

Dear friend ,

What a nice job! You are doing great. Keep it up.
