Definitely:

=====

Up to code

close up

c'est la vie (poopy)

on the fly

Spoken:

-----

bring the devil out of me girl gawd damn

And you spend hours pulling your hair out if you have hair.

Transferable skills can be transferred from one life experience to another.

She had no time to mourn her loss. While, at times, Barbara's adrenaline flowed with the challenges ahead, she was also panicked in her private life.

Right off the bat

Pull out all the stops

No take backs

Every little bit helps

to each his own

snitches get stitches

Pull the rug

OTOH

Sex is the temptation caused by a sensation that a boy takes his location put a girl's destination which increases the population of the next generation.

Literature:

-----

A manifestation of

Was particularly exacerbated by

If you are mathematically inclined.

Changing a face can change nothing, but facing a change can change everything.

People who knows the most knows he knows nothing at all.

I changed a light bulb -- single-handedly managed the successful upgrade and deployment of new environmental illumination system with zero cost overruns and zero safety incidents.
