what do you make of it?

how would go about it?

you can lie to me; but you can't lie to yourself.

I would take a bullet for you!

I'm going to make an attempt.

how does that tie back to what we had before

I don't like how those question are formulated.

There isn't much to go off of.

Women deeply want a man who is competent and powerful. I don't mean power that they can exert tyrannical control over others / arbitrarily exercise power on others, that's corruption. power is competence. Why in the world you wouldn't want a competent partner?

Guard against these possibilities

If you never have to deal with that, I'm happy for you.

Alright, I'm leaving, you don't have to tell me twice.

How do you do that exactly?
Woo, that's a lot to unpack there, Lemme see.

It is easy to be caught up in that situation.

easy to spot in the crowd.

Do you feel good about that answer?

Getting on each other's nerves.

Stick to the plan, result comes to fruition naturally.

Our intuition can sometimes leads us astray.

Why don't people understand that I'll do it and get it done as long as you don't tell me to do it and get it done.

Start a meeting:

So little bit about today, it's gonna be free flowing discussion,
not all the panelists are gonna answer all the questions.

I'll direct questions to particular panelist as them come in.

if other panelists feel they have something to contribute someone else's answer
please signal me, or just jump in.

Literature:

Preparation meets opportunity.

Both theoretical reasoning and empirical evidence support the conclusion that part of getting to a better future comes down to explaining more effectively the problems of the present.

Cultural difference is not an excuse for misbehaving or being inflexible.

She had no time to mourn her loss. While, at times, Barbara's adrenaline flowed with the challenges ahead, she was also panicked in her private life.

Stop you drug idiot, I'm trusting what you say.

Exactly bro.

You are fucked.

Screw that.

I don't fucking care.

That's not a fact. If that's not fact, tell me a fact.

Yo, you can argue about that, but

What's good. What's up. What's going on.

That's bullshit, fuck you.

I don't know about that.

You know that you are

You know what I'm saying. That's what I'm saying.

LAME:

Yesterday is history, tomorrow is mystery, but today is gift, that's why it's called present.

Those who mind don't matter,
Those who matter don't mind.

Let me guess: you were potty trained at gunpoint and still piss sitting down on orders from mommy dearest. Your innie peanut dick remains flaccid unless you gaze adoringly at a photo of your lord and savior Trumputo-Pumpkin's tits. Your IQ starts with a decimal point and you have yet to grow your opposable thumbs. Wow I'm impressed.

Everyone knows the wall is extremely long, but to see it for yourself, stretching into the distance as far as you can see, disappearing into the horizon in these insane mountains, with this view is just spectacular, definitely a bucket list.

When you die, you don't know you are dead. It's only difficult for people around you. It's the same when you are stupid.

First of all, if don't get your childish breath out of my oxygen zone, I will sue you and your mom. And who is on a bus, who is in a car with freedom and money, and the ability to kick your ass.

I'm not afraid of losing because I don't allow you to judge me.

My loses are my loses, if you don't understand what I am doing, get the fuck out my system. You think I give a shit about what you think? You think I lose anything when you commented "I told you, I knew it, get a life". That shit would just motivate me. And when I finally got it, you don't even understand how.

In stage one we say, nothing is going to happen.

Stage two, we say, it may happen, but I don't need to do something about it.

And stage three, we say maybe we should do something about it, but there's nothing we can do.

Stage four, we say maybe there was something we could have done, but it's too late now.

I am beyond irritated. I am not an xbox, not a play station, cards against humanity. I am a person with feelings, you don't just say hi, and three mother fucking days later, you don't exist, A figment of my imagination. You're a damn ghost. If you lose feelings don't drag that shit on, end it! I send hi, you don't respond makes me a damn clown! So the moral of the fricking story, if you don't want it, don't waste my time. Period.

Remember people's name: A person's name is, to that person, the sweetest most important sound in any language.

Whoever denied it, supplied it.
