phrase:

[daily life]:

plugging away	suck up to me	fell short
size up	deep pockets	In a tight spot
tide over	grow on me	confidence restored
rag on	slack off	look up to me
top off	pull off	every little bit helps
clock out	take a hike	household name
side with	out of the loop	jokes on you
on a whim	fed up with	that never gets old
put up with	suck it up	slate is clean
play by ear	sit out	hit it off
not a chance	slim to none	sleep in
instant karma	beats me	honest mistake
good riddance	no string attached	what's the catch
bump into sb	get over	leave it to me
by the book	under the weather	suit yourself (negative)

right off the bat	you snooze you loose
make up your mind	on the other side of the tracks
caught me off my guard	rain on my parade
been there, done that	read between the lines
start off on the wrong foot	get up on the wrong side of the bed

[working]:

switch gears	so much for	over the course of
start off by	set a bar	wiggle room
reason with	take into account	bring to the table
bare bone	nuts and bolts	meat and potatoes
sink in	moral fiber	by no means
poke holes	off the cuff	under her belt
phase out	in good hands	humble origin
lose steam	pulling teeth	cut corner
on the ball	wake up call	tip of the iceberg
a big blow to	test the water	devil's advocate

root cause
sort out
fall victim to

map out
toy with
on the fly

up to a point
to each his own

finish on a high note
steal your thunder
take / mark my words for it
off the top of my head
the grass is always greener
add salt to the injury
that was as clear as mud
you have my words
what's past is prologue

get my point across
throw off the balance
practice what I preach
think on my feet
old habits die hard
pour gasoline on the fire
that's all greek to me
know which way the wind blows

A bird in the hand is worth two in the bush

[Literature]:

=====

These are real products challenging the status quo relative to everything from farming to landing on Mars.

This presentation of ideas embodied something different entirely.

I am observing, thinking of, and manipulating such an indivisible continuum from the material world to the mental world and back.

The answer lies with a few basic principles.

I don't see much value in comparing teams across years when the level of professionalism changes.

Tears flowed simultaneously from their eyes, not for the futility of their actions, but for the reciprocity of their love.

Now that we have conducted a sufficiently detailed analysis, we can proceed to the solution phase.

The solid lines radiating out from the queen go through all those squares that are threatened by the queen.

Both theoretical reasoning and empirical evidence support the conclusion that part of getting to a better future comes down to explaining more effectively the problems of the present.

Everyone knows the wall is extremely long, but to see it for yourself, stretching into the distance as far as you can see, disappearing into the horizon in these insane mountains, with this view is just spectacular, definitely a bucket list.
